To: physfac@calpoly.edu

Dear Faculty,

I would like to remind everyone that Drinks and Food are not allowed in our studio and lab classrooms in building 180. We have a sign outside reminding everyone but unfortunately students need reminders and good role models. As faculty, you need to enforce our no Drinks and Food policy. We have carts just outside the classrooms for the drinks or food to be placed.

Thanks for your attention and enforcement on this issue,

Bob
