

EduCanon Tutorial for Cal Poly Physics

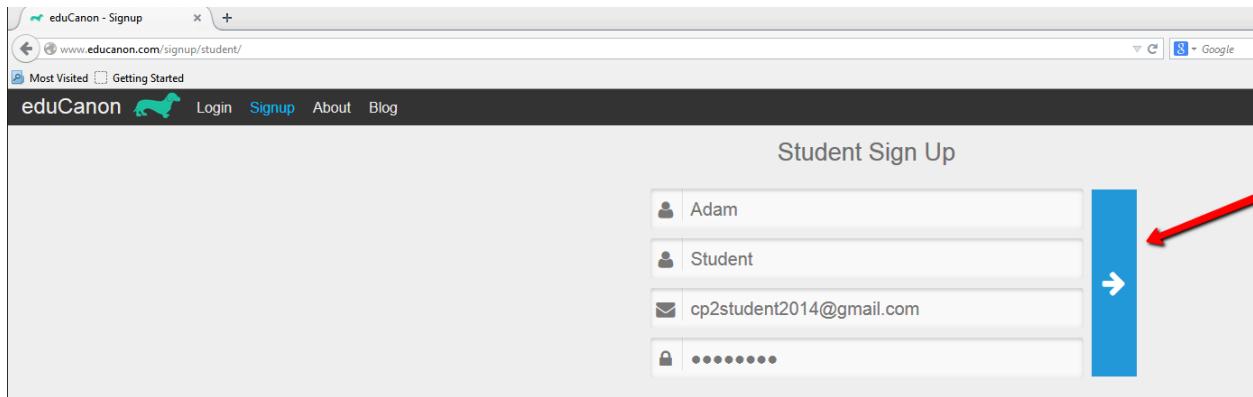

1. Navigate your web browser to www.educanon.com
2. Click on "Sign Up" from the top navigation bar

3. Select "I am a student!" from the signup page.

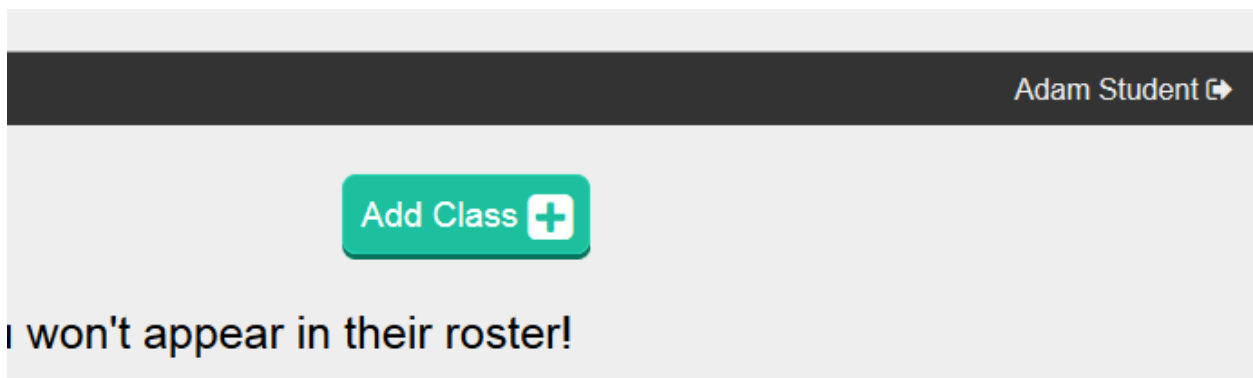

4. Enter your personal information and click on the blue bar to register.
NOTE: This is how you will appear in the Educanon gradebook, so be sure you enter information that can identify you to your instructor.

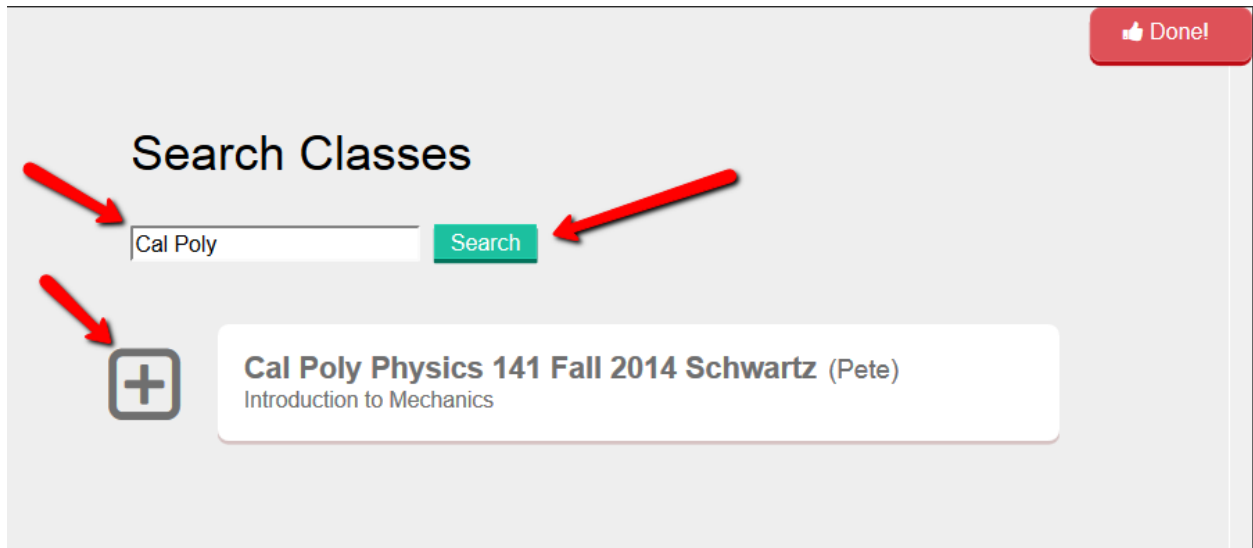

The screenshot shows a web browser window with the URL www.educanon.com/signup/student/. The page title is "Student Sign Up". The form contains four input fields: a name field with "Adam", a student ID field with "Student", an email field with "cp2student2014@gmail.com", and a password field with masked characters. A blue bar with a white right-pointing arrow is positioned to the right of the form, and a red arrow points to it from the right side of the image.

5. Click on the green "Add Class" button

6. You can search for your course by any keyword. Search for your course by entering "Cal Poly" in the search field and pressing the green Search button.
7. Click on the + arrow next to your course.
8. Click on the red "Done" button in the upper right corner.

Your course(s) will now appear on your Educanon home page when you log in. Click on your course to view assigned bulbs.
